Education:

MLA, University of Illinois Urbana Champaign, 1994
MBA, Northern Illinois University, 1988
B.S., biology, Northern Illinois University, 1978

Experience:

Natural resources landscape architect, U.S. Army Corps of Engineers, Engineer Research and Development Center, Construction Engineering Research Laboratory, 1994-present. Project manager in natural resources management studies for Army installation management and U.S. Army Corps of Engineers facility sustainability management. Recent focus has been on climate change impact indicators and installation resiliency planning for Army, Army National Guard, and Army Reserves. Facilitated natural resources considerations in preparation of landscape master plans for historic landscapes, buildings, and structures on Army installations.
