

Department of Defense
Legacy Resource Management Program

National Historic Preservation Act
Section 110 Surveys Project, 2023-2028
in cooperation with
the National Preservation Institute

**NHPA Section 110
Surveys Project, 2023-2028**

The Department of Defense (DoD) Legacy Resource Management Program will sponsor a series of projects designed to help meet its responsibilities under Section 110 of the National Historic Preservation Act.

Partnership

DoD has partnered with the National Preservation Institute (NPI) through a cooperative agreement to work with the cultural resource management leadership in the Military Departments (including their Reserve and National Guard Components) to develop high-priority projects that will identify and evaluate historic properties.

Opportunities for CRM contractors

NPI is accepting qualifications on an ongoing basis from cultural resource management (CRM) firms, universities, nonprofit entities, and other organizations interested in participating as contractors in these studies.

Section 110 Surveys Project: FY24 Cooperative Agreement Cycle Projects

***Deadline, to submit expressions of interest
Tuesday, October 15, 2024***

- ***Contracting Section 110 Projects (page 1)***
- ***Deadline for CRM Contractors to Submit Expression of Interest (page 1)***
- ***Information Required from CRM Contractors to Submit an Expression of Interest (pages 1-2)***
- ***Section 110 Surveys Project: FY24 Cooperative Agreement Cycle Projects (pages 2-3)***

Contracting Section 110 Projects

NPI intends to contract out Section 110 projects (*projects and descriptions may be subject to change*) at the following installations and/or within regions during our FY24 cooperative agreement cycle.

Deadline for CRM Contractors to Submit Expression of Interest

The deadline for CRM contractors to submit an expression of interest is **October 15, 2024**, two weeks from the date the FY24 cooperative agreement cycle projects are posted.

Information Required from CRM Contractors to Submit an Expression of Interest

CRM contractors with suitable expertise and experience are invited to submit an expression of interest in up to three (3) projects, along with their qualifications to conduct a specific Section 110 project(s). These contractors may be considered for additional FY24 projects beyond those listed.

To submit an expression of interest, send an email to Jere Gibber and John Sprinkle at info@npi.org with the following required information. *Do not send information other than specific requirements.*

1. Name of contracting organization
2. Contact: Name, title, telephone, email

3. Information on up to three (3) projects:
 - Service - Project #, installation location(s), project description #1 and resume* of principal investigator
 - Service - Project #, installation location(s), project description #2 and resume* of principal investigator
 - Service - Project #, installation location(s), project description #3 and resume* of principal investigator

**one resume per project; up to one, single-sided page; include name, title, telephone, email*
4. Qualifications
 - A. If you have already submitted qualifications, note the date sent
 - B. If you have not yet submitted qualifications, the following information is required:
 - i. 10-page maximum submission (*letter of interest, cover page, table of contents, and/or appendices are optional and, if incorporated, must be included within the 10-page submission*)
 - ii. Contact information: name, title, contracting organization's name, telephone, email
 - iii. Statement of contracting organization's professional capabilities
 - iv. List of previous Section 110-type work projects for DoD or other organizations
 - v. Geographic area(s) of contractor's expertise
5. Additional qualifications information pertinent to a specific project, if not already included in previously submitted materials (maximum 2 pages per project)
